

CAMBRIDGE UNIVERSITY *caving* CLUB

Join us on Facebook!

Cambridge University's very own caving club!

We run weekend trips away throughout the academic year, as well as social events, and of course our incredible yearly expedition in Austria.

Annual Membership: £###

Includes public liability insurance till December-end 2016, and your first caving meet at the beginning of Michaelmas term.

Never been caving before? No problem! You don't need any previous experience, though a basic level of fitness is useful. We'll provide you with all the necessary equipment and training, so all you need to do is put on some old clothes and go caving!
